- 10.8.7.1 By a majority vote of a quorum consisting of the members of the *Executive Committee* who at the time of the vote are not named defendants or respondents in the proceeding;
- 10.8.7.2 If such a quorum cannot be obtained, by a majority vote of a committee of the members of the *Executive Committee*, designated to act in the matter by a majority vote of all members of the *Executive Committee*, consisting solely of two or more members of the *Executive Committee* who at the time of the vote are not named defendants or respondents in the proceeding;
- 10.8.7.3 By special legal counsel selected by the members of the *Executive Committee* or a committee of the *Executive Committee* by vote as set forth in **Paragraphs 10.8.7.1 or 10.8.7.2** of this Section, or, if such a quorum cannot be obtained and such a committee cannot be established, by a majority vote of all members of the *Executive Committee*; or
- 10.8.7.4 By the members in a vote that excludes the vote of any members of the *Executive Committee* who are named defendants or respondents in the proceeding.
- 10.8.8 Authorization of indemnification and determination as to reasonableness of expenses must be made in the same manner as the determination that indemnification is permissible, except that if the determination that indemnification is permissible is made by special legal counsel, authorization of indemnification and determination as to reasonableness of expenses must be made in the manner specified by **Sub-section 10.8.7.3** of this Section for the selection of special legal counsel.
- 10.8.9 BCRAC shall indemnify directors (throughout this Article, "director" shall be deemed to include any member of the *Executive Committee*), officers, employees and agents of BCRAC against reasonable expenses incurred by them in connection with a proceeding in which they are named a defendant or respondent because they are or were acting in such capacity if they have been wholly successful, on the merits or otherwise, in the defense of the proceedings.
- 10.8.10 If, in a suit for the indemnification required by **Sub-section 10.8.9** of this Section, a court of competent jurisdiction determines that the director, officer, agent or employee is entitled to indemnification under such Section; such person shall be awarded the expenses incurred in securing the indemnification.
- 10.8.11 If, upon application of a director, officer, employee or agent of BCRAC, a

court of competent jurisdiction determines, after giving any notice the court considers necessary, that such person is fairly and reasonably entitled to indemnification in view of all the relevant circumstances, whether or not he or she has met the requirements set forth in this Section or has been adjudged liable in the circumstances described by **Sub-section 10.8.4** of this Section, the court may order the indemnification that the court determines is proper and equitable. The indemnification shall be limited to reasonable expenses if the proceeding is brought by or in behalf of BCRAC or if such person is found liable on the basis that personal benefit was improperly received by him or her, whether or not the benefit resulted from an action taken in the person's official capacity.

- 10.8.12 Reasonable expenses incurred by a director, officer, employee or agent who was, is, or is threatened to be made a named defendant or respondent in a proceeding shall be paid or reimbursed by BCRAC in advance of the final disposition of the proceeding after:
 - 10.8.12.1 BCRAC receives a written affirmation by such person of his or her good faith belief that he or she has met the standard of conduct necessary for indemnification under this Section and a written undertaking by or on behalf of such person to repay the amount paid or reimbursed if it is ultimately determined that he or she has not met those requirements; and
 - 10.8.12.2 A determination that the facts then known to those making the determination would not preclude indemnification under this Section. Determinations and authorizations of payments under this Section must be made in the manner specified by **10.8.7** of this Section for determining that indemnification is permissible.
- 10.8.13 As may be provided by specific action of the *Executive Committee*, BCRAC may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of BCRAC against any liability asserted against him or her and incurred by such person in such a capacity or arising out of his or her status, whether or not BCRAC would have the power to indemnify him or her against the liability under this Section
