## BIG COUNTRY REGIONAL ADVISORY COUNCIL GENERAL ASSEMBLY MEETING 4/19/2023

Roll Call: See Sign in Sheet for Attendance

A quorum was present. Meeting called to order by Russel Thomas at 1:30pm

Opened the meeting, introducing Dr. Russell Hyde as the Medical Director.

Dr. Hyde addressed the General Assembly and expressed his appreciation for being asked to be the Medical Director. Dr. Russell also sat on the PI committee earlier in the day and discussed their desire to strengthen the PI committee and address issues as they occur and are brought the committee's attention instead of reviewing months past the incidents.

Minutes of March 15,2023 meeting approved as posted on website on motion by Jason Gruben; second by Lexie Feist, all in favor, none opposed.

#### Financial Review -

EMS RAC	\$ 18501.75
EMS County	\$ 72933.31
Tobacco	\$ 31584.86
SB8	\$ 598065.51
Dues Account	\$ 6364.37

#### **GRANT REVIEW**

**EMS County** –Deadline for submitting receipts/invoice was 3/31/2023. Payments have been prepared and mailed to all eligible EMS agencies

**EMS RAC** – These funds are used for administrative purposes including ED hourly pay, office rent and expenses

**RAC Development** – Reimbursement of education and injury prevention expenses deadline for submittal was 3/31/2023. Payments in the amount of \$2100 have been mailed to all eligible members who took part in the reimbursement project.

Those submitting receipts and proof of purchase that did not receive reimbursement did not qualify due to not paying dues, ineligible dates of invoices or non-compliant due to PI or attendance.

Senate Bill 8 (EMSE) – Currently paid out \$336,531.68

12 Basic EMT18 AEMT32 Paramedic

As of the meeting 4/19/2023 the RAC has been notified of only one scholarship recipient that has left the sponsoring agency. The RAC has sent an email to the recipient but there has been no response as of the meeting date. The RAC and the EMS Sponsor will begin the diligent effort to recover the funds. This will include: phone call, text message, email and certified letter.

Additional discussion regarding the tracking/progress and oversight of the students nearing the completion of the "school" portion of the program. 10 Basic and 24 AEMT will be completing school within the next month and the EMS Sponsor will need to report progress regarding testing and passing

to the RAC.

BCEMSPO was polled to determine how many scholarships may be awarded in the next 16 months and 16 Paramedics should be applying after completing the AEMT courses. This will be an estimated disbursement of \$128,000.

Motion to approve the Financial and Grant Review by Deni Davis; second by Jason Gruben, all in favor, none opposed.

**Bylaw Review** – The below change had been emailed to the membership and will be voted on during General Assembly

4.2.4 A *The designated member or their designated alternate*, must attend at seventy-five (75%) percent of the regularly scheduled General Assembly meetings each fiscal year *and is eligible to vote*.

No change to Article 14 Voting by proxy is prohibited based on the change above

Motion to approve the Bylaw review by David Allman; second by Aaron Maxwell all in favor, none opposed. By-laws will be posted on the website as approved.

#### **Committee Review:**

Stroke Committee — The Committee will review a final version of the Stroke Plan and make recommendations in order for it to be presented to the GA for approval during the July meeting (if not before). The committee would like to have a page on the website that provides the EMS Service or Hospital and all pertinent information. Marlee will work on this and abstract the information from the Needs Assessments completed by all active members.

STEMI – Final STEMI Plan was sent to membership and was approved by the membership

PI Committee – Marlee read the list of members who had submitted PI reports as of 4/19/2023 at 7:00am.

Marlee will email the membership two more times before the end of the month as a reminder.

<u>Hospital Committee</u> – Nothing to report

Finance Committee – Approved the financials provided to the committee and the reconciliation reports.

Motion to approve the Committee Review by Lee Williamson; second by Tammy Hamilton all in favor, none opposed.

#### **Open Forum**

• Medical Directors Dinner was held on 3/21

Information discussed during the Exec committee was provided to the GA regarding what would make the Medical Directors Dinner better...it was suggested to divide the table settings in a U shape for better opportunity for discussion, diversify seating chart to allow for new relationships to be formed and ask each Medical Director to prepare a 15 minute talk about their facilities and how the RAC and neighboring hospitals can help them become stronger facilities.

- Reviewing the website to make sure all required documents are listed and available for Review move the Membership List Tab to the top of the page
- Reminder to report Stop the Bleed Classes to Russel information has been added to the website with Russel's contact information
- Sam Vance, MHA, LP Program Manager, Texas EMS for Children to address General Assembly provided a very informative review of the Pediatric System in Texas. This

led additional discussions about the RAC pediatric committee and the need to have someone present at GA meetings to give a committee review during committee reviews. Marlee will reach out to the Pedi Group and find out who could attend the GA meetings in the future.

• Announce Grance Sewell, TeamSTEPPS® Master Trainer is available for questions in the lobby

GA meetings will now be available for Medical Directors to attend virtually posted on website

Meeting adjourned at 3:00pm on motion made by Jason Gruben, second by David Allman, all in favor, none opposed.

Respectfully submitted, Marlee Puckett, Executive Director

# BCRAC PREHOSPITAL TRANSPORT GUIDELINES FOR STROKE

# SUSPECTED STROKE

#### Assessment Guidelines:

- Onset S/S
- Time "last known normal"
- Complete Vital Signs
- Blood Glucose\*
- Pre-Hospital Cincinnati Stroke Scale
- Stroke severity scale to assess for possible LVO
- Thrombolytic Checklist
- 12-Lead ECG

\*Consider other etiologies such as hypoglycemia and seizure.

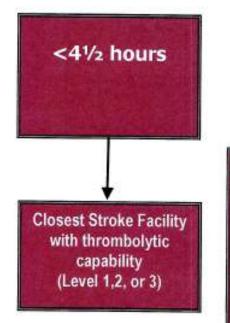

### **Minimum Treatment Guidelines:**

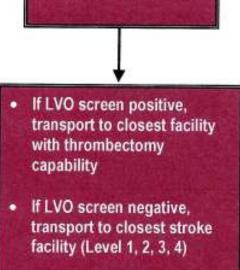

- Oxygen per TDP to keep SPO2 >94%
- IV NS TKO (as per skill level)
- Consider antihypertensive agent for blood pressures above 220/110
- Rapid transport to appropriate facility as indicated.
- Divert to the closest hospital for airway management or stabilization.
- Consider Air Medical transport for patient deterioration.

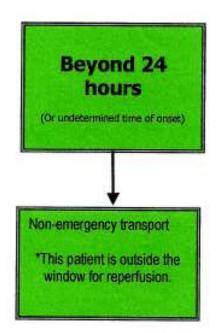

Transport decision should be based on time of onset as appropriate.

If >60 min ground transport, consider Air Medical Transport to decrease time.
